Human Capital Management Academy I

PARTICIPANT HANDBOOK
INSTRUCTOR-LED TRAINING

Course Version: 17
Course Duration: 5 Day(s)
Material Number: 50144288

Contents

xi	Course Overview	
1	Unit 1:	SAP Navigation
2		Lesson: Logging On to an SAP System
5		Exercise 1: Log On to an SAP System
8		Lesson: Using the SAP User Interface
13		Exercise 2: Create Favorites
17		Exercise 3: Use Field-Level Help
25	Unit 2:	Structures in Human Capital Management
26		Lesson: Identifying Human Capital Management Structures
35		Exercise 4: Find HCM Structure Assignments for an Employee
38		Lesson: Updating an Organizational Plan
55		Exercise 5: Use the Organization and Staffing Interface
63	Unit 3:	Employee Information
65		Lesson: Maintaining Employee Data
79		Exercise 6: Update an Employee's Address
81		Exercise 7: Update an Employee's Basic Pay
84		Lesson: Accessing Time Data
95		Exercise 8:
98		Lesson: Maintaining Employee Information Using Self-Services
105		Exercise 9: Update Employee Data Using SAP NWBC
109		Lesson: Recruiting Personnel
121		Exercise 10: Search for Applications
125		Lesson: Managing Employees in a Global Organization
139	Unit 4:	Personnel Development
140		Lesson: Managing the Course Catalog
147		Exercise 11: Create a New Event Date
150		Lesson: Managing the Enterprise Learning Solution
159		Exercise 12:
162		Lesson: Managing Talent
165		Exercise 13: Execute a Profile Matchup
168		Lesson: Performing Appraisals
183		Exercise 14: Execute an Appraisal

195	**Unit 5:**	**Employee Remuneration**
196		Lesson: Managing Compensation
201		Exercise 15: Generate a Total Compensation Statement
204		Lesson: Managing Payroll
211		Exercise 16: Simulate a Payroll Run
219	**Unit 6:**	**HR Renewal**
221		Lesson: Outlining HR Renewal Functionality
233		Lesson: Accessing HR Renewal Landing Pages
243	**Unit 7:**	**SuccessFactors**
245		Lesson: Describing SuccessFactors Integration with SAP HCM
265	**Unit 8:**	**Analytics**
266		Lesson: Creating HR Reports
275		Exercise 17: Run a Standard Report
279		Exercise 18: Generate a Business Intelligence Report
285	**Unit 9:**	**User Preferences**
286		Lesson: Assigning User Roles
289		Exercise 19: Assign User Roles
293		Exercise 20: Set User Parameters
297		Exercise 21: Create Favorites
303	**Unit 10:**	**Employee Master Data**
304		Lesson: Entering New Employee Data
311		Exercise 22: Record New Employee Information
319	**Unit 11:**	**Implementation Guide (IMG) Projects**
320		Lesson: Executing Projects
323		Exercise 23:
327		Lesson: Maintaining Customizing Tables
331		Exercise 24: Create
335		Exercise 25:
339		Exercise 26:

347 Unit 12: Human Capital Management Structures

348 Lesson: Modifying the Enterprise Structure
355 Exercise 27: Create a
363 Exercise 28: Create a
366 Lesson: Enhancing the Personnel Structure
371 Exercise 29:
375 Exercise 30: Verify Organizational Assignments

383 Unit 13: Organizational Structure

385 Lesson: Mapping the Organizational Structure
391 Lesson: Integrating with Organizational Management
397 Exercise 31: Set
401 Lesson: Utilizing Default Values
403 Exercise 32:

413 Unit 14: Additional Organizational Assignments

414 Lesson: Identifying Additional Organization Assignments
417 Exercise 33: Create a Payroll Area
421 Exercise 34: Display a Payroll Control Record
428 Lesson: Identifying the Organizational Key
431 Exercise 35: Find the Organizational Key Configuration Table
434 Lesson: Configuring Administrator Tables
437 Exercise 36: Configure an Administrator
441 Lesson: Confirming Employee Attributes
443 Exercise 37: Confirm Employee Attributes

453 Unit 15: System Default Values

455 Lesson: Setting Up System Default Values
461 Lesson: Defaulting the Payroll Area
465 Lesson: Defaulting Personnel Number Ranges
467 Lesson: Defaulting the Administrator Group
469 Exercise 38: Create a New Administrator
471 Exercise 39: Update the
475 Exercise 40: Confirm Default Values Used in Master Data

485 Unit 16: Personal Data

486 Lesson: Maintaining Personal Data
491 Exercise 41: Update Master Data Infotypes

499	**Unit 17:**	**Data Consistency Maintenance**
500		Lesson: Linking Planned Working Time and Basic Pay
507		Exercise 42: Create Planned Working Time and Basic Pay Infotypes
515	**Unit 18:**	**Remuneration Structure**
517		Lesson: Building the Remuneration Structure
522		Lesson: Creating and Assigning a Pay Scale
525		Exercise 43: Create and Assign a Pay Scale Area
528		Lesson: Creating a Pay Scale Table
531		Exercise 44: Create a Pay Scale Table
534		Lesson: Defaulting Pay Scale Values
537		Exercise 45: Assign Default Values for the Remuneration Structure
545	**Unit 19:**	**Wage Type Structure**
547		Lesson: Setting Up Wage Types
551		Lesson: Outlining the Setup of Wage Types
554		Lesson: Copying Wage Types
557		Exercise 46: Copy Wage Types
561		Lesson: Controlling Wage Type Permissibility
567		Exercise 47: Confirm Wage Type Permissibility
571		Lesson: Configuring Wage Type Characteristics
581		Exercise 48:
593		Lesson: Defaulting Wage Types
597		Exercise 49:
601		Exercise 50: Update the LGMST Feature
617	**Unit 20:**	**Infotypes**
618		Lesson: Evaluating Infotype Attributes
625		Exercise 51: Find Infotype Attributes
630		Lesson: Customizing Screen Headers
633		Exercise 52: Customize a Screen Header
642		Lesson: Modifying Infotype Screens
645		Exercise 53: Modify an Infotype Screen
650		Lesson: Creating Infotype Menus
657		Exercise 54: Create an Infotype Menu

© Copyright. All rights reserved.

669 Unit 21: Personnel Actions

670 Lesson: Creating Personnel Actions
675 Exercise 55: Set Up the DFINF Feature to Determine Default Values
685 Lesson: Reviewing Additional Actions
688 Lesson: Configuring Personnel Actions
693 Exercise 56: C

159	**Unit 5:**	**Time Data Recording and Administration**
160		Lesson: Setting Up Attendance and Absence Types
173		Exercise 12: Set Up
177		Lesson: Outlining the Set Up of Additional Time Infotypes
185		Lesson: Determining System Reactions to Colliding Time Infotypes
193	**Unit 6:**	**Attendance and Absence Counting**
194		Lesson: Defining Counting Rules for Attendances and Absences
205		Exercise 13: Define Counting Rules
212		Lesson: Assigning Counting Rules to Absence Types
215		Exercise 14: Assign a Counting Rule to an Absence Type
219		Lesson: Utilizing Daily Work Schedule Variants to Count Absences
227	**Unit 7:**	**Attendance and Absence Quotas**
229		Lesson: Setting Up Attendance and Absence Quotas
233		Exercise 15: Set Up a Quota Type
237		Lesson: Assigning Quota Deduction Rules
243		Exercise 16: Set Up Deduction Rules
249		Exercise 17: Assign Quota Deduction Rules
253		Lesson: Determining Default Values to Grant Absence Entitlements
258		Lesson: Setting Up Quota Type Selection Rule Groups
263		Exercise 18: Set Up Quota Type Selection Rule Groups
267		Lesson: Defining Base Entitlements
271		Exercise 19: Define Base Entitlements
276		Lesson: Setting Up Validity and Deduction Intervals
279		Exercise 20: Set Up Validity and Deduction Intervals
284		Lesson: Setting Up Reduction Rules
287		Exercise 21: Set Up Reduction Rules
290		Lesson: Creating Rounding Rules
293		Exercise 22: Create Rounding Rules
296		Lesson: Setting Up Generation Rules
303		Exercise 23: Set Up Generation Rules for Quota Accruals
309		Exercise 24: Set Up the Accrual of Additional Absence Quota Entitlements
317		Lesson: Generating Absence Entitlements
321		Exercise 25: Generate Quotas for Employees
325		Exercise 26: Create an Employee Absence to Test Generated Quotas
329		Lesson: Outlining Quota Entitlements
